PETITION

COME NOW Plaintiffs, George O'Neil and Lyndsay O'Neil, for their claims and causes of actions against Defendants and state:

1. Plaintiffs are citizens and residents of Missouri.
2. Defendant Trion Group, L.P. ("Trion Group") is a Pennsylvania Limited Partnership with its principal place of business in Pennsylvania.

3. Defendant CIGNA Healthcare of St. Louis, Inc. is a Missouri corporation with its principal place of business in Clayton, Missouri.

4. Defendant CIGNA Life & Health Insurance Company is a foreign insurance company with its principal place of business in another state, that is registered to do business in Missouri, and that may be served via the Director of Insurance.

5. This Court has jurisdiction over Defendant CIGNA Healthcare of St. Louis, Inc. because it is a Missouri corporation.

6. This Court has jurisdiction over Defendant CIGNA Life & Health Insurance Company because it is an insurer registered to do business in Missouri, and in fact does ongoing business in Missouri.

7. This Court has jurisdiction over Defendant Trion Group under § 506.500 RSMo. because Defendant Trion Group committed tortious acts within Missouri by informing Plaintiff George O'Neil in Missouri falsely that George O'Neil and his dependents had health insurance coverage for two months and/or because Defendant Trion Group committed extraterritorial acts or omissions that produced actionable consequences in Missouri.

8. Venue is proper in this Court because Plaintiffs were first injured in Jefferson County.

9. On December 1, 2015, Plaintiff George O'Neil switched jobs and began working for a new employer.

10. Plaintiff extended his health insurance coverage under COBRA and arranged payment for two months of premiums under COBRA in an amount advised by Trion Group.

11. At that time, a representative of Trion Group represented to Plaintiff George O'Neil that this payment would pay for health insurance premiums for two months for Plaintiff George O'Neil and his family.

12. Plaintiff George O'Neil began his new employment, and his new employer made payment for Plaintiffs' two months of health insurance coverage under COBRA.

13. Plaintiff George O'Neil again spoke with someone at Trion Group that stated Plaintiffs were covered for two months.

14. In February of 2016, Lyndsay O'Neil, George O'Neil's daughter, who was covered under the COBRA policy, received medical care from Mercy Hospital Jefferson, a health care provider in Festus, Missouri.

15. Plaintiff George O'Neil later learned that his health insurance coverage under COBRA had purportedly been cancelled.

16. Plaintiffs received no notice that their coverage was going to be terminated.

17. Plaintiff George O'Neil was told that a refund check was sent to his employer.

18. Plaintiff's employer informed George O'Neil that it never received a refund check for Plaintiff's health insurance premiums under COBRA.

19. Plaintiff was also informed that the increase in premiums was less than \$300.00 for the two months at issue.

20. CIGNA paid Mercy for the February 2016 care Lyndsay O'Neil received, but Mercy later refunded the payment to CIGNA.

21. Trion Group attempted to send a refund check to Plaintiff approximately one year later. This check, Check No. 22858, drawn on an account with Bank of America, was never negotiated.

22. Plaintiffs demanded of Defendants that they resolve the charges from Mercy, but they have failed to do so.

**COUNT I—MISSOURI MERCHANDISING PRACTICES ACT
VS. TRION GROUP**

23. Plaintiff re-states and re-alleges all prior paragraphs of this Petition as if fully stated here.

24. Under the Missouri Merchandising Practices Act (“MMPA”) “Merchandise” includes “goods” and “services.” *See* § 407.040(4) RSMo. (2000).

25. Under the MMPA “Advertisement” means any means used to induce, directly or indirectly, any person to enter into any obligation. *See* § 407.010(1) RSMo. (2000).

26. Defendant Trion Group used or employed deception, fraud, false pretense, false promise, misrepresentation, or the concealment, suppression or omission of material fact in connection with the sale of Trion Group’s services and/or products to Plaintiffs in that it either lacked information or misrepresented information, or both, to sell or otherwise offer COBRA coverage to Plaintiff.

27. As a direct and proximate result of Defendant’s violations of the MMPA, Plaintiffs have been damaged in that they have been caused to have inadequate health insurance for a period of time, and have been caused to incur bills for health care services that would have otherwise been covered had Trion Group not made misrepresentations to Plaintiff George O’Neil.

28. Specifically, Plaintiffs have incurred medical bills in the amount of \$7,963.99 for the care and treatment of Lyndsay O’Neil during the two months that Trion Group told George O’Neil he would have health insurance under COBRA.

29. Under § 407.025 RSMo. (2000), the Court may award Plaintiffs their attorney fees incurred herein.

WHEREFORE, Plaintiffs pray this Court for an Order and Judgment in their favor and against Defendant Trion Group in an amount of at least \$7,963.99, for their attorney fees and costs incurred herein, and for whatever other relief this Court deems just and proper.

**COUNT II—NEGLIGENT MISREPRESENTATION
VS. TRION GROUP**

30. Plaintiffs restate and re-allege all prior paragraphs of this Petition as if fully stated here.

31. Defendant Trion Group provided information to Plaintiff George O'Neil in the course of selling health insurance services to Plaintiffs, specifically that for payment of a certain amount of money Plaintiff George O'Neil could obtain health insurance coverage under COBRA for a period of two months for himself and his family, including Plaintiff Lyndsay O'Neil.

32. The information provided by Defendant Trion Group was false as a result of its failure to exercise reasonable care.

33. Defendant Trion Group provided the information for the guidance of Plaintiff George O'Neil for a particular transaction, specifically, for the purchase by Plaintiff George O'Neil of health insurance coverage under COBRA for a two-month period for himself and his family, including Plaintiff Lyndsay O'Neil.

34. Plaintiff George O'Neil justifiably relied on the information provided by Defendant Trion Group.

35. As a direct and proximate result of Plaintiff's reliance on the information provided by Defendant Trion Group, Plaintiff suffered a pecuniary loss as described herein.

WHEREFORE, Plaintiffs pray this Court for an Order and Judgment in their favor and against Defendant Trion Group in an amount of at least \$7,963.99, for their attorney fees and costs incurred herein, and for whatever other relief this Court deems just and proper.

COUNT III—VEXATIOUS REFUSAL TO PAY

36. Plaintiffs re-state and re-allege all prior paragraphs of this Petition as if fully stated here.

37. Defendants, jointly and severally, or individually, failed to cancel Plaintiffs' insurance coverage under COBRA in that Defendants failed to provide any of the required notices under federal regulations pertaining to termination of coverage of health insurance under COBRA.

38. Specifically,

- a. Defendants violated 29 CFR § 2590.606-4(d)(1) by failing to provide notice to both Plaintiff George O'Neil and Plaintiff Lyndsay O'Neil, a qualified beneficiary under the policy, of a termination that was to take effect earlier than the end of the maximum period of continuation;
- b. Defendants violated 29 CFR § 2590.606-4(d)(2)(i) by failing to provide both Plaintiff George O'Neil and Plaintiff Lyndsay O'Neil the reason that coverage had terminated earlier than the end of the maximum period of continuation;
- c. Defendants violated 29 CFR § 2590.606-4(d)(2)(ii) by failing to provide to Plaintiff George O'Neil and Plaintiff Lyndsay O'Neil the date of termination of continuation coverage;

- d. Defendants violated 29 CFR § 2590.606-4(d)(2)(iii) by failing to inform both Plaintiff George O'Neil and Plaintiff Lindsay O'Neil to any right to elect alternative coverage; and
- e. Defendants violated 29 CFR § 2590.606-4(d)(3) by failing to provide Plaintiff George O'Neil and Plaintiff Lyndsay O'Neil notice of termination as soon as practicable, and by failing to provide it at all.

39. Plaintiffs never received any notices from any Defendant regarding the potential cancellation of any health insurance benefits.

40. One or more Defendants initially paid the medical bills discussed herein, but eventually requested and were granted a refund.

41. Defendants failed to properly cancel the health insurance policy at issue, and have therefore failed to pay for such loss without reasonable cause or excuse, and Defendants refusal to pay for the covered loss was and is vexatious under § 375.420 RSMo.

42. In addition to the amount thereof and any allowable interest, Plaintiffs are entitled to damages in the amount of 20% of the first \$1,500.00 of the loss, and 10% of the amount of the loss in excess of \$1,500.00, and a reasonable attorney's fee.

WHEREFORE, Plaintiffs pray this Court to enter a Judgment in their favor and against Defendants, jointly and severally, in an amount of at least \$7,963.99, all interest allowable by law, all damages authorized by § 375.420 RSMo., for their attorney's fees and costs, and for any other relief this Court deems just and proper.

COUNT IV—VEXATIOUS DELAY

43. Plaintiffs re-state and re-allege all prior paragraphs of this Petition as if fully stated here.

44. By correspondence dated May 16, 2017, Plaintiffs, through counsel, demanded that Defendants pay the loss referenced here.

45. More than 30 days have elapsed since Plaintiffs have demanded payment.

46. To Plaintiffs' knowledge, Defendants have failed and refused to pay the loss referenced here.

47. In addition to the amount thereof and any allowable interest, Plaintiffs are entitled to damages in the amount of 20% of the first \$1,500.00 of the loss, and 10% of the amount of the loss in excess of \$1,500.00, and a reasonable attorney's fee for Defendants' vexatious delay in refusing to pay this loss, under § 375.296 RSMo.

48. Plaintiffs demand a trial by jury on all issues so triable.

WHEREFORE, Plaintiffs pray this Court to enter a Judgment in their favor and against Defendants, jointly and severally, in an amount of at least \$7,963.99, all interest allowable by law, all damages authorized by §§ 375.296 and 375.420 RSMo., for their attorney's fees and costs, and for any other relief this Court deems just and proper.

Case Management

Case Management is a service provided through a Review Organization, which assists individuals with treatment needs that extend beyond the acute care setting. The goal of Case Management is to ensure that patients receive appropriate care in the most effective setting possible whether at home, as an outpatient, or an inpatient in a Hospital or specialized facility. Should the need for Case Management arise, a Case Management professional will work closely with the patient, his or her family and the attending Physician to determine appropriate treatment options which will best meet the patient's needs and keep costs manageable. The Case Manager will help coordinate the treatment program and arrange for necessary resources. Case Managers are also available to answer questions and provide ongoing support for the family in times of medical crisis.

Case Managers are Registered Nurses (RNs) and other credentialed health care professionals, each trained in a clinical specialty area such as trauma, high risk pregnancy and neonates, oncology, mental health, rehabilitation or general medicine and surgery. A Case Manager trained in the appropriate clinical specialty area will be assigned to you or your dependent. In addition, Case Managers are supported by a panel of Physician advisors who offer guidance on up-to-date treatment programs and medical technology. While the Case Manager recommends alternate treatment programs and helps coordinate needed resources, the patient's attending Physician remains responsible for the actual medical care.

- You, your dependent or an attending Physician can request Case Management services by calling the **toll-free number** shown on your ID card during normal business hours, Monday through Friday. In addition, your employer, a claim office or a utilization review program (see the PAC/CSR section of your certificate) may refer an individual for Case Management.
- The Review Organization assesses each case to determine whether Case Management is appropriate.
- You or your Dependent is contacted by an assigned Case Manager who explains in detail how the program works. Participation in the program is voluntary - no penalty or benefit reduction is imposed if you do not wish to participate in Case Management.
- Following an initial assessment, the Case Manager works with you, your family and Physician to determine the needs of the patient and to identify what alternate treatment programs are available (for example, in-home medical care in lieu of an extended Hospital convalescence). You are not penalized if the alternate treatment program is not followed.
- The Case Manager arranges for alternate treatment services and supplies, as needed (for example, nursing services or a Hospital bed and other Durable Medical Equipment for the home).
- The Case Manager also acts as a liaison between the insurer, the patient, his or her family and Physician as needed (for example, by helping you to understand a complex medical diagnosis or treatment plan).
- Once the alternate treatment program is in place, the Case Manager continues to manage the case to ensure the treatment program remains appropriate to the patient's needs.

While participation in Case Management is strictly voluntary, Case Management professionals can offer quality, cost-effective treatment alternatives, as well as provide assistance in obtaining needed medical resources and ongoing family support in a time of need.

Important Information About Your Medical Plan

Details of your medical benefits are described on the following pages.

Opportunity to Select a Primary Care Physician

Choice of Primary Care Physician:

This medical plan does not require that you select a Primary Care Physician or obtain a referral from a Primary Care Physician in order to receive all benefits available to you under this medical plan. Notwithstanding, a Primary Care Physician may serve an important role in meeting your health care needs by providing or arranging for medical care for you and your Dependents. For this reason, we encourage the use of Primary Care Physicians and provide you with the opportunity to select a Primary Care Physician from a list provided by Cigna for yourself and your Dependents. If you choose to select a Primary Care Physician, the Primary Care Physician you select for yourself may be different from the Primary Care Physician you select for each of your Dependents.

Changing Primary Care Physicians:

You may request a transfer from one Primary Care Physician to another by contacting us at the member services number on your ID card. Any such transfer will be effective on the first day of the month following the month in which the processing of the change request is completed.

In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, you or your Dependent will be notified for the purpose of selecting a new Primary Care Physician, if you choose.

Continuity Of Care

A new enrollee may continue an ongoing course of treatment with a nonparticipating health care provider, or a covered person with a participating provider when the plan initiates termination of the provider's contract, except for cause including fraud, breach of contract, criminal activity or posing a danger to health or safety. Treatment may continue, at the covered person's option, for a transitional period of up to 60 days from enrollment from the date the covered person was notified by the plan of the termination, under the same terms and conditions as those applicable for participating providers. If considered clinically appropriate by the plan, the transitional period may be extended. When the covered person is in the second or third trimester of pregnancy, the transitional period shall extend through postpartum care related to the delivery.

Open Access Plus Medical Benefits

The Schedule

For You and Your Dependents

Open Access Plus Medical Benefits provide coverage for care In-Network and Out-of-Network. To receive Open Access Plus Medical Benefits, you and your Dependents may be required to pay a portion of the Covered Expenses for services and supplies. That portion is the Copayment, Deductible or Coinsurance.

If you are unable to locate an In-Network Provider in your area who can provide you with a service or supply that is covered under this plan, you must call the number on the back of your I.D. card to obtain authorization for Out-of-Network Provider coverage. If you obtain authorization for services provided by an Out-of-Network Provider, benefits for those services will be covered at the In-Network benefit level.

Coinsurance

The term Coinsurance means the percentage of charges for Covered Expenses that an insured person is required to pay under the plan.

Copayments/Deductibles

Copayments are expenses to be paid by you or your Dependent for covered services. Deductibles are also expenses to be paid by you or your Dependent. Deductible amounts are separate from and not reduced by Copayments. Copayments and Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached, you and your family need not satisfy any further medical deductible for the rest of that year.

Out-of-Pocket Expenses - For In-Network Charges Only

Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the benefit plan because of any Deductibles, Copayments or Coinsurance. Such Covered Expenses accumulate to the Out-of-Pocket Maximum shown in the Schedule. When the Out-of-Pocket Maximum is reached, all Covered Expenses, except charges for non-compliance penalties, are payable by the benefit plan at 100%.

Out-of-Pocket Expenses - For Out-of-Network Charges Only

Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the benefit plan. The following Expenses contribute to the Out-of-Pocket Maximum, and when the Out-of-Pocket Maximum shown in The Schedule is reached, they are payable by the benefit plan at 100%:

- Coinsurance.
- Plan Deductible.

The following Out-of-Pocket Expenses and charges do not contribute to the Out-of-Pocket Maximum, and they are not payable by the benefit plan at 100% when the Out-of-Pocket Maximum shown in The Schedule is reached:

- Non-compliance penalties.
- Any copayments and/or benefit deductibles.
- Provider charges in excess of the Maximum Reimbursable Charge.

Accumulation of Plan Deductibles and Out-of-Pocket Maximums

Deductibles and Out-of-Pocket Maximums will accumulate in one direction (that is, Out-of-Network will accumulate to In-Network). All other plan maximums and service-specific maximums (dollar and occurrence) cross-accumulate between In- and Out-of-Network unless otherwise noted.

Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

Open Access Plus Medical Benefits

The Schedule

Assistant Surgeon and Co-Surgeon Charges

Assistant Surgeon

The maximum amount payable will be limited to charges made by an assistant surgeon that do not exceed a percentage of the surgeon's allowable charge as specified in Cigna Reimbursement Policies. (For purposes of this limitation, allowable charge means the amount payable to the surgeon prior to any reductions due to coinsurance or deductible amounts.)

Co-Surgeon

The maximum amount payable for charges made by co-surgeons will be limited to the amount specified in Cigna Reimbursement Policies.

Certification Requirements - Out-of-Network

For You and Your Dependents

Pre-Admission Certification/Continued Stay Review for Hospital Confinement

Pre-Admission Certification (PAC) and Continued Stay Review (CSR) refer to the process used to certify the Medical Necessity and length of a Hospital Confinement when you or your Dependent require treatment in a Hospital:

- as a registered bed patient, except for 48/96 hour maternity stays;
- for a Partial Hospitalization for the treatment of Mental Health or Substance Abuse;
- for Mental Health or Substance Abuse Residential Treatment Services.

You or your Dependent should request PAC prior to any non-emergency treatment in a Hospital described above. In the case of an emergency admission, you should contact the Review Organization within 48 hours after the admission. For an admission due to pregnancy, you should call the Review Organization by the end of the third month of pregnancy. CSR should be requested, prior to the end of the certified length of stay, for continued Hospital Confinement.

Covered Expenses incurred will be reduced by 50% for Hospital charges made for each separate admission to the Hospital unless PAC is received: prior to the date of admission; or in the case of an emergency admission, within 48 hours after the date of admission.

Covered Expenses incurred for which benefits would otherwise be payable under this plan for the charges listed below will not include:

- Hospital charges for Bed and Board, for treatment listed above for which PAC was performed, which are made for any day in excess of the number of days certified through PAC or CSR; and
- any Hospital charges for treatment listed above for which PAC was requested, but which was not certified as Medically Necessary.

PAC and CSR are performed through a utilization review program by a Review Organization with which Cigna has contracted.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Outpatient Certification refers to the process used to certify the Medical Necessity of outpatient diagnostic testing and outpatient procedures, including, but not limited to, those listed in this section when performed as an outpatient in a Free-standing Surgical Facility, Other Health Care Facility or a Physician's office. You or your Dependent should call the toll-free number on the back of your I.D. card to determine if Outpatient Certification is required prior to any outpatient diagnostic testing or procedures. Outpatient Certification is performed through a utilization review program by a Review Organization with which Cigna has contracted. Outpatient Certification should only be requested for nonemergency procedures or services, and should be requested by you or your Dependent at least four working days (Monday through Friday) prior to having the procedure performed or the service rendered.

Covered Expenses incurred will be reduced by 50% for charges made for any outpatient diagnostic testing or procedure performed unless Outpatient Certification is received prior to the date the testing or procedure is performed.

Covered Expenses incurred will not include expenses incurred for charges made for outpatient diagnostic testing or procedures for which Outpatient Certification was performed, but, which was not certified as Medically Necessary.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Medical Conversion Privilege

For You and Your Dependents

When a person's Medical Expense Insurance ceases, for a reason other than failure of the person to pay premium or if the policy is replaced by similar group insurance within 31 days, he may be eligible to be insured under an individual policy of medical care benefits (called the Converted Policy).

A Converted Policy will be issued by Cigna only to a person who:

- resides in a state that requires offering a conversion policy,
- is Entitled to Convert, and
- applies in writing and pays the first premium for the Converted Policy to Cigna within 31 days after the date his insurance ceases. Evidence of good health is not needed.

Employees Entitled to Convert

You are Entitled to Convert Medical Expense Insurance for yourself and all of your Dependents who were insured when your insurance ceased but only if:

- you are not eligible for other individual insurance coverage on a guaranteed issue basis.
- you have been insured for at least three consecutive months under the policy or under it and a prior policy issued to the Policyholder.
- your insurance ceased because you were no longer in Active Service or no longer eligible for Medical Expense Insurance.
- you are not eligible for Medicare.
- you would not be Overinsured.
- you have paid all required premium or contribution.
- you have not performed an act or practice that constitutes fraud in connection with the coverage.
- you have not made an intentional misrepresentation of a material fact under the terms of the coverage.
- your insurance did not cease because the policy in its entirety canceled.

If you retire, you may apply for a Converted Policy within 31 days after your retirement date in place of any continuation of your insurance that may be available under this plan when you retire, if you are otherwise Entitled to Convert.

Dependents Entitled to Convert

The following Dependents are also Entitled to Convert:

- a child who is not eligible for other individual insurance coverage on a guaranteed issue basis, and whose insurance

under this plan ceases because he no longer qualifies as a Dependent or because of your death;

- a spouse who is not eligible for other individual insurance coverage on a guaranteed issue basis, and whose insurance under this plan ceases due to divorce, annulment of marriage or your death;
- your Dependents whose insurance under this plan ceases because your insurance ceased solely because you are eligible for Medicare;

but only if that Dependent: is not eligible for other individual insurance coverage on a guaranteed issue basis, is not eligible for Medicare, would not be Overinsured, has paid all required premium or contribution, has not performed an act or practice that constitutes fraud in connection with the coverage, and has not made an intentional misrepresentation of a material fact under the terms of the coverage.

Overinsured

A person will be considered Overinsured if either of the following occurs:

- his insurance under this plan is replaced by similar group coverage within 31 days.
- the benefits under the Converted Policy, combined with Similar Benefits, result in an excess of insurance based on Cigna's underwriting standards for individual policies.

Similar Benefits are: those for which the person is covered by another hospital, surgical or medical expense insurance policy, or a hospital, or medical service subscriber contract, or a medical practice or other prepayment plan or by any other plan or program; those for which the person is eligible, whether or not covered, under any plan of group coverage on an insured or uninsured basis; or those available for the person by or through any state, provincial or federal law.

Converted Policy

If you reside in a state that requires the offering of a conversion policy, the Converted Policy will be one of Cigna's current conversion policy offerings available in the state where you reside, as determined based upon Cigna's rules.

The Converted Policy will be issued to you if you are Entitled to Convert, insuring you and those Dependents for whom you may convert. If you are not Entitled to Convert and your spouse and children are Entitled to Convert it will be issued to the spouse, covering all such Dependents. Otherwise, a Converted Policy will be issued to each Dependent who is Entitled to Convert. The Converted Policy will take effect on the day after the person's insurance under this plan ceases. The premium on its effective date will be based on: class of risk and age; and benefits.

During the first 12 months the Converted Policy is in effect, the amount payable under it will be reduced so that the total amount payable under the Converted Policy and the Medical

Benefits Extension of this plan (if any) will not be more than the amount that would have been payable under this plan if the person's insurance had not ceased. After that, the amount payable under the Converted Policy will be reduced by any amount still payable under the Medical Benefits Extension of this plan (if any). Cigna or the Policyholder will give you, on request, further details of the Converted Policy.

Drugs or Related Supplies. Your Physician should make this request before writing the prescription.

If the request is approved, your Physician will receive confirmation. The authorization will be processed in our claim system to allow you to have coverage for those Prescription Drugs or Related Supplies. The length of the authorization will depend on the diagnosis and Prescription Drugs or Related Supplies. When your Physician advises you that coverage for the Prescription Drugs or Related Supplies has been approved, you should contact the Pharmacy to fill the prescription(s).

If the request is denied, your Physician and you will be notified that coverage for the Prescription Drugs or Related Supplies is not authorized. If you disagree with a coverage decision, you may appeal that decision in accordance with the provisions of the policy, by submitting a written request stating why the Prescription Drugs or Related Supplies should be covered.

If you have questions about a specific prior authorization request, you should call Member Services at the toll-free number on the ID card.

All drugs newly approved by the Food and Drug Administration (FDA) are designated as either non-Preferred or non-Prescription Drug List drugs until the P&T Committee clinically evaluates the Prescription Drug for a different designation. Prescription Drugs that represent an advance over available therapy according to the FDA will be reviewed by the P&T Committee within six months after FDA approval. Prescription Drugs that appear to have therapeutic qualities similar to those of an already marketed drug according to the FDA, will not be reviewed by the P&T Committee for at least six months after FDA approval. In the case of compelling clinical data, an ad hoc group will be formed to make an interim decision on the merits of a Prescription Drug.

Coverage for certain Prescription Drugs and Related Supplies requires your Physician to obtain authorization prior to prescribing. Prior authorization may include, for example, a step therapy determination. Step therapy determines the specific usage progression of therapeutically equivalent drug products or supplies appropriate for treatment of a specific condition. If your Physician wishes to request coverage for Prescription Drugs or Related Supplies for which prior authorization is required, your Physician may call or complete the appropriate prior authorization form and fax it to Cigna to request a prior authorization for coverage of the Prescription

Your Payments

Coverage for Prescription Drugs and Related Supplies purchased at a Pharmacy is subject to the Copayment or Coinsurance shown in the Schedule, after you have satisfied your Prescription Drug Deductible, if applicable. Please refer to the Schedule for any required Copayments, Coinsurance, Deductibles or Maximums if applicable.

When a treatment regimen contains more than one type of Prescription Drugs which are packaged together for your, or

your Dependent's convenience, a Copayment will apply to each Prescription Drug.

Coordination of Benefits

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits or services for medical care or treatment:

- Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
- Coverage under Medicare and other governmental benefits as permitted by law, excepting Medicaid and Medicare supplement policies.
- Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Closed Panel Plan

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

Primary Plan

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

Secondary Plan

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

Allowable Expense

A necessary, reasonable and customary service or expense, including deductibles, coinsurance or copayments, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If you are confined to a private Hospital room and no Plan provides coverage for more than a semiprivate room, the difference in cost between a private and semiprivate room is not an Allowable Expense.
- If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

Claim Determination Period

A calendar year, but does not include any part of a year during which you are not covered under this policy or any date before this section or any similar provision takes effect.

Reasonable Cash Value

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;
- If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
 - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
 - then, the Plan of the parent with custody of the child;
 - then, the Plan of the spouse of the parent with custody of the child;
 - then, the Plan of the parent not having custody of the child, and
 - finally, the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall

be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.

- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to Medicare, the benefit determination rules identified above, will be used to determine how benefits will be coordinated.

Effect on the Benefits of This Plan

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

The difference between the amount that this Plan would have paid if this Plan had been the Primary Plan, and the benefit payments that this Plan had actually paid as the Secondary Plan, will be recorded as a benefit reserve for you. Cigna will use this benefit reserve to pay any Allowable Expense not otherwise paid during the Claim Determination Period.

As each claim is submitted, Cigna will determine the following:

- Cigna's obligation to provide services and supplies under this policy;
- whether a benefit reserve has been recorded for you; and
- whether there are any unpaid Allowable Expenses during the Claims Determination Period.

If there is a benefit reserve, Cigna will use the benefit reserve recorded for you to pay up to 100% of the total of all Allowable Expenses. At the end of the Claim Determination Period, your benefit reserve will return to zero and a new benefit reserve will be calculated for each new Claim Determination Period.

Recovery of Excess Benefits

If Cigna pays charges for benefits that should have been paid by the Primary Plan, or if Cigna pays charges in excess of those for which we are obligated to provide under the Policy, Cigna will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

Cigna will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

Right to Receive and Release Information

Cigna, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

Medicare Eligibles

Cigna will pay as the Secondary Plan as permitted by the Social Security Act of 1965 as amended for the following:

- (a) a former Employee who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- (b) a former Employee's Dependent, or a former Dependent Spouse, who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- (c) an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Employee is eligible for Medicare due to disability;
- (d) the Dependent of an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Dependent is eligible for Medicare due to disability;
- (e) an Employee or a Dependent of an Employee of an Employer who has fewer than 20 Employees, if that person is eligible for Medicare due to age;
- (f) an Employee, retired Employee, Employee's Dependent or retired Employee's Dependent who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months;

Cigna will assume the amount payable under:

- Part A of Medicare for a person who is eligible for that Part without premium payment, but has not applied, to be the amount he would receive if he had applied.
- Part B of Medicare for a person who is entitled to be enrolled in that Part, but is not, to be the amount he would receive if he were enrolled.
- Part B of Medicare for a person who has entered into a private contract with a provider, to be the amount he would receive in the absence of such private contract.

A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for him.

This reduction will not apply to any Employee and his Dependent or any former Employee and his Dependent unless he is listed under (a) through (f) above.

Domestic Partners

Under federal law, the Medicare Secondary Payer Rules do not apply to Domestic Partners covered under a group health plan when Medicare coverage is due to age. Therefore, when Medicare coverage is due to age, Medicare is always the Primary Plan for a person covered as a Domestic Partner, and Cigna is the Secondary Plan. However, when Medicare coverage is due to disability, the Medicare Secondary Payer rules explained above will apply.

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

- Expenses incurred by you or your Dependent (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage.

Right Of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party

may be responsible or for which the Participant may receive payment as described above, the plan is granted a right of reimbursement, to the extent of the benefits provided by the plan, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

Lien Of The Plan

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;
- agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

Additional Terms

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan's right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- The plan's right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat the plan's recovery rights by allocating the proceeds exclusively to non-medical expense damages.
- No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan's rights hereunder, specifically; no court costs, attorneys' fees or other representatives' fees may be deducted from the plan's recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
- The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of

any Participant, whether under comparative negligence or otherwise.

- In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney's fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.
- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the Plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

This provision will not apply to benefits payable under the Pennsylvania Motor Vehicle Finance Responsibility Law or under Act III, Health Care Services Malpractice Act of Pennsylvania.

Payment of Benefits

To Whom Payable

Medical Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

Cigna may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal

guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment.

Calculation of Covered Expenses

Cigna, in its discretion, will calculate Covered Expenses following evaluation and validation of all provider billings in accordance with:

- the methodologies in the most recent edition of the Current Procedural terminology,
- the methodologies as reported by generally recognized professionals or publications.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and

- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Special Enrollment Rights Under the Health Insurance Portability & Accountability Act (HIPAA)

If you or your eligible Dependent(s) experience a special enrollment event as described below, you or your eligible Dependent(s) may be entitled to enroll in the Plan outside of a designated enrollment period upon the occurrence of one of the special enrollment events listed below. If you are already enrolled in the Plan, you may request enrollment for you and your eligible Dependent(s) under a different option offered by the Employer for which you are currently eligible. If you are not already enrolled in the Plan, you must request special enrollment for yourself in addition to your eligible Dependent(s). You and all of your eligible Dependent(s) must be covered under the same option. The special enrollment events include:

- **Acquiring a new Dependent.** If you acquire a new Dependent(s) through marriage, birth, adoption or placement for adoption, you may request special enrollment for any of the following combinations of individuals if not already enrolled in the Plan: Employee only; spouse only; Employee and spouse; Dependent child(ren) only; Employee and Dependent child(ren); Employee, spouse and Dependent child(ren). Enrollment of Dependent children is limited to the newborn or adopted children or children who became Dependent children of the Employee due to marriage.
- **Loss of eligibility for State Medicaid or Children's Health Insurance Program (CHIP).** If you and/or your Dependent(s) were covered under a state Medicaid or CHIP

plan and the coverage is terminated due to a loss of eligibility, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after termination of Medicaid or CHIP coverage.

- **Loss of eligibility for other coverage (excluding continuation coverage).** If coverage was declined under this Plan due to coverage under another plan, and eligibility for the other coverage is lost, you and all of your eligible Dependent(s) may request special enrollment in this Plan. If required by the Plan, when enrollment in this Plan was previously declined, it must have been declined in writing with a statement that the reason for declining enrollment was due to other health coverage. This provision applies to loss of eligibility as a result of any of the following:
 - divorce or legal separation;
 - cessation of Dependent status (such as reaching the limiting age);
 - death of the Employee;
 - termination of employment;
 - reduction in work hours to below the minimum required for eligibility;
 - you or your Dependent(s) no longer reside, live or work in the other plan's network service area and no other coverage is available under the other plan;
 - you or your Dependent(s) incur a claim which meets or exceeds the lifetime maximum limit that is applicable to all benefits offered under the other plan; or
 - the other plan no longer offers any benefits to a class of similarly situated individuals.
- **Termination of employer contributions (excluding continuation coverage).** If a current or former employer ceases all contributions toward the Employee's or Dependent's other coverage, special enrollment may be requested in this Plan for you and all of your eligible Dependent(s).
- **Exhaustion of COBRA or other continuation coverage.** Special enrollment may be requested in this Plan for you and all of your eligible Dependent(s) upon exhaustion of COBRA or other continuation coverage. If you or your Dependent(s) elect COBRA or other continuation coverage following loss of coverage under another plan, the COBRA or other continuation coverage must be exhausted before any special enrollment rights exist under this Plan. An individual is considered to have exhausted COBRA or other continuation coverage only if such coverage ceases: due to failure of the employer or other responsible entity to remit premiums on a timely basis; when the person no longer resides or works in the other plan's service area and there is no other COBRA or continuation coverage available under

the plan; or when the individual incurs a claim that would meet or exceed a lifetime maximum limit on all benefits and there is no other COBRA or other continuation coverage available to the individual. This does not include termination of an employer's limited period of contributions toward COBRA or other continuation coverage as provided under any severance or other agreement.

- **Eligibility for employment assistance under State Medicaid or Children's Health Insurance Program (CHIP).** If you and/or your Dependent(s) become eligible for assistance with group health plan premium payments under a state Medicaid or CHIP plan, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after the date you are determined to be eligible for assistance.

Except as stated above, special enrollment must be requested within 30 days after the occurrence of the special enrollment event. If the special enrollment event is the birth or adoption of a Dependent child, coverage will be effective immediately on the date of birth, adoption or placement for adoption. Coverage with regard to any other special enrollment event will be effective on the first day of the calendar month following receipt of the request for special enrollment.

Domestic Partners and their children (if not legal children of the Employee) are not eligible for special enrollment.

12-14

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the following:

- the date you meet the Special Enrollment criteria described above; or
- the date you meet the criteria shown in the following Sections B through H.

B. Change of Status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Special Enrollment, Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

G. Reduction in work hours

If an Employee's work hours are reduced below 30 hours/week (even if it does not result in the Employee losing eligibility for the Employer's coverage); and the Employee (and family) intend to enroll in another plan that provides Minimum Essential Coverage (MEC). The new coverage must be effective no later than the 1st day of the 2nd month following the month that includes the date the original coverage is revoked.

H. Enrollment in Qualified Health Plan (QHP)

The Employee must be eligible for a Special Enrollment Period to enroll in a QHP through a Marketplace or the Employee wants to enroll in a QHP through a Marketplace during the Marketplace's annual open enrollment period; and the disenrollment from the group plan corresponds to the intended enrollment of the Employee (and family) in a QHP through a Marketplace for new coverage effective beginning no later than the day immediately following the last day of the original coverage.

HC-FED70

12-14

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

HC-FED67

Coverage for Maternity Hospital Stay

Group health plans and health insurance issuers offering group health insurance coverage generally may not, under a federal law known as the "Newborns' and Mothers' Health Protection Act": restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section; or require that a provider

obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of the above periods. The law generally does not prohibit an attending provider of the mother or newborn, in consultation with the mother, from discharging the mother or newborn earlier than 48 or 96 hours, as applicable.

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and

- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures under ERISA

The following complies with federal law. Provisions of the laws of your state may supersede.

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. Medical Necessity determinations are made on either a preservice, concurrent, or postservice basis, as described below:

Certain services require prior authorization in order to be covered. This prior authorization is called a "preservice Medical Necessity determination." The Certificate describes who is responsible for obtaining this review. You or your authorized representative (typically, your health care provider) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents, and in the determination notices.

Preservice Medical Necessity Determinations

When you or your representative request a required Medical Necessity determination prior to care, Cigna will notify you or your representative of the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond Cigna's control, Cigna will notify you or your representative within 15 days after receiving your request. This notice will include the date a determination can be expected, which will be no more than 30 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

If the determination periods above would seriously jeopardize your life or health, your ability to regain maximum function, or in the opinion of a Physician with knowledge of your health condition, cause you severe pain which cannot be managed without the requested services, Cigna will make the preservice determination on an expedited basis. Cigna's Physician will defer to the determination of the treating Physician, regarding whether an expedited determination is necessary. Cigna will notify you or your representative of an expedited determination within 72 hours after receiving the request.

However, if necessary information is missing from the request, Cigna will notify you or your representative within 24 hours after receiving the request to specify what information is needed. You or your representative must provide the specified information to Cigna within 48 hours after receiving the notice. Cigna will notify you or your representative of the expedited benefit determination within 48 hours after you or your representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If you or your representative fails to follow Cigna's procedures for requesting a required preservice Medical Necessity determination, Cigna will notify you or your representative of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless you or your representative requests written notification.

Concurrent Medical Necessity Determinations

When an ongoing course of treatment has been approved for you and you wish to extend the approval, you or your representative must request a required concurrent Medical Necessity determination at least 24 hours prior to the expiration of the approved period of time or number of

treatments. When you or your representative requests such a determination, Cigna will notify you or your representative of the determination within 24 hours after receiving the request.

Postservice Medical Necessity Determinations

When you or your representative requests a Medical Necessity determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Postservice Claim Determinations

When you or your representative requests payment for services which have been rendered, Cigna will notify you of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: information sufficient to identify the claim; the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit

determination on appeal; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim; and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified

beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled "Secondary Qualifying Events" and "Medicare Extension For Your Dependents" are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the

date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for "Termination of COBRA Continuation" listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Moving Out of Employer's Service Area or Elimination of a Service Area

If you and/or your Dependents move out of the Employer's service area or the Employer eliminates a service area in your location, your COBRA continuation coverage under the plan will be limited to out-of-network coverage only. In-network coverage is not available outside of the Employer's service

area. If the Employer offers another benefit option through Cigna or another carrier which can provide coverage in your location, you may elect COBRA continuation coverage under that option.

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are

qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended

during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under "Secondary Qualifying Events" above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled "Disability Extension" for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer's Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the

United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under "Termination of COBRA Continuation" above.

Conversion Available Following Continuation

If your or your Dependents' COBRA continuation ends due to the expiration of the maximum 18-, 29- or 36-month period, whichever applies, you and/or your Dependents may be entitled to convert to the coverage in accordance with the Medical Conversion benefit then available to Employees and the Dependents. Please refer to the section titled "Conversion Privilege" for more information.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Clinical Trials

This benefit plan covers routine patient care costs related to a qualified clinical trial for an individual who meets the following requirements:

- (a) is eligible to participate in an approved clinical trial according to the trial protocol with respect to treatment of cancer or other life-threatening disease or condition; and
- (b) either
 - the referring health care professional is a participating health care provider and has concluded that the individual's participation in such trial would be appropriate based upon the individual meeting the conditions described in paragraph (a); or
 - the individual provides medical and scientific information establishing that the individual's participation in such trial would be appropriate based upon the individual meeting the conditions described in paragraph (a).

For purposes of clinical trials, the term "life-threatening disease or condition" means any disease or condition from which the likelihood of death is probable unless the course of the disease or condition is interrupted.

The clinical trial must meet the following requirements:

The study or investigation must:

- be approved or funded by any of the agencies or entities authorized by federal law to conduct clinical trials;
- be conducted under an investigational new drug application reviewed by the Food and Drug Administration; or
- involve a drug trial that is exempt from having such an investigational new drug application.

Routine patient care costs are costs associated with the provision of health care items and services including drugs, items, devices and services otherwise covered by this benefit plan for an individual who is not enrolled in a clinical trial and, in addition:

- services required solely for the provision of the investigational drug, item, device or service;
- services required for the clinically appropriate monitoring of the investigational drug, device, item or service;
- services provided for the prevention of complications arising from the provision of the investigational drug, device, item or service; and
- reasonable and necessary care arising from the provision of the investigational drug, device, item or service, including the diagnosis or treatment of complications.

Routine patient care costs do not include:

- the investigational drug, device, item, or service, itself; or
- items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient.

Clinical trials conducted by non-participating providers will be covered at the In-Network benefit level if:

- there are not In-Network providers participating in the clinical trial that are willing to accept the individual as a patient, or
- the clinical trial is conducted outside the individual's state of residence.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as

required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section);
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the

plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.

- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S.

Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

National Appeals Organization (NAO)
PO Box 188011
Chattanooga, TN 37422

You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call us at the toll-free number on your Benefit Identification card, explanation of benefits or claim form.

Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, we will respond in writing with a decision within 15 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination (decision). We will respond within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal process be expedited if: (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay.

If you request that your appeal be expedited based on (a) above, you may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited level-one appeal would be detrimental to your medical condition.

Cigna's Physician reviewer, or your treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

If the appeal involves a coverage decision based on issues of medical necessity, clinical appropriateness or experimental treatment, a medical review will be conducted by a Physician reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. For all other coverage plan-related appeals, a second-level review will be conducted by someone who was: not involved in any previous decision related to your appeal; and not a subordinate of previous decision makers. Provide all relevant documentation with your second-level appeal request.

For required preservice and concurrent care coverage determinations, the review will be completed within 15 calendar days. For postservice claims, the review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by us to complete the review.

In the event any new or additional information (evidence) is considered, relied upon or generated by Cigna in connection with the level-two appeal, Cigna will provide this information to you as soon as possible and sufficiently in advance of the decision, so that you will have an opportunity to respond. Also, if any new or additional rationale is considered by Cigna, Cigna will provide the rationale to you as soon as possible and sufficiently in advance of the decision so that you will have an opportunity to respond.

You will be notified in writing of the decision within five working days after the decision is made, and within the review time frames above if Cigna does not approve the requested coverage.

You may request that the appeal process be expedited if: the time frames under this process would seriously jeopardize your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. Cigna's Physician reviewer, or your treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

Independent Review Procedure

If you are not fully satisfied with the decision of Cigna's level two appeal review regarding your Medical Necessity or clinical appropriateness issue, you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna HealthCare or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this independent review process. Cigna will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by Cigna. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process.

To request a review, you must notify the Appeals Coordinator within 180 days of your receipt of Cigna's level two appeal review denial. Cigna will then forward the file to the Independent Review Organization.

The Independent Review Organization will render an opinion within 30 days. When requested and when a delay would be detrimental to your condition, as determined by Cigna's Physician reviewer, the review shall be completed within three days.

The Independent Review Program is a voluntary program arranged by Cigna.

In most instances, you may not initiate a legal action against Cigna until you have completed the Level One and Level Two Appeal processes.
